Note: l'omologazione prescrive che il veicolo sul quale vengono montate le lampade allo xenon, deve essere equipaggiato con un impianto lavafari e con correttore di assetto fari automatico. In mancanza di questi dispositivi l'omologazione non è valida. Note: according to E-mark regulations, in use of OEM or after market HID Xenon lights, all vehicles must be with self leveling headlights or with headlights washing-system. E mark is not valid if such devices are missing.
