## TV-AERIALS ANTENNES-TV TV-ANTENNEN ANTENAS TV

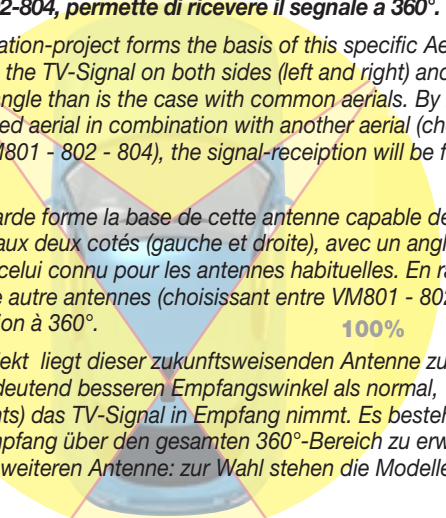

**Un progetto molto innovativo che prevede la ricezione del segnale TV sia sul lato destro che sinistro con un angolazione di ricezione superiore alle normali antenne. Installata in abbinamento con una delle seguenti antenne: VM801-802-804, permette di ricevere il segnale a 360°.**

A very special innovation-project forms the basis of this specific Aerial, capable of receiving the TV-Signal on both sides (left and right) and at a superior reception-angle than is the case with common aerials. By installing this specially designed aerial in combination with another aerial (choosing amongst models VM801 - 802 - 804), the signal-reception will be full-scale at 360°.

Un projet d'avant-garde forme la base de cette antenne capable de réceptionner le signal TV aux deux cotés (gauche et droite), avec un angle de réception supérieur à celui connu pour les antennes habituelles. En rajoutant, à cette antenne, une autre antennes (choisissant entre VM801 - 802 - 804), on arrive à la réception à 360°.

Ein völlig neues Projekt liegt dieser zukunftsweisenden Antenne zugrunde, die, unter einem bedeutend besseren Empfangswinkel als normal, beidseitig (links und rechts) das TV-Signal in Empfang nimmt. Es besteht die Möglichkeit, den Empfang über den gesamten 360°-Bereich zu erweitern, durch Zugabe einer weiteren Antenne: zur Wahl stehen die Modelle VM801 - 802 - 804.

Un proyecto de antena, muy innovador que prevé la recepción del la señal TV en ambos lados (derecho/izquierdo) con una angulación de recepción superior a las normales antenas. Instalada en unión con unas de las siguientes antenas VM801-802-804, permite recibir la señal a 360°.

VERNICIABILE / PAINTABLE

### VM808 DIGITAL TV - RADIO AM-FM

- **Cavo / Cable** 4,5 m
  - **Alimentazione / Supply** 12 V
  - **Dimensioni / Dimensions** L. 18 - H 7 - P. 6 cm
- Packed 1pc

Connettori / Connectors

### VM809 DIGITAL TV - RADIO AM-FM - GPS

- **Cavo / Cable** 4,5 m
  - **Alimentazione / Supply** Phantom 5 V o diretta 12 V / Direct 12 V
  - **Dimensioni / Dimensions** L. 18 - H 7 - P. 6 cm
- Packed 1pc

Connettori / Connectors

### VM801 DIGITAL

- **Cavo / Cable** 3 m
  - **Alimentazione / Supply** Phantom 5 V o diretta 12 V / Direct 12 V
  - **Dimensioni / Dimensions** L. 28 - H 2 cm
- Packed 1pc
